Dimension A in Inches: 1.39

Dimension B in Inches: 1.40

Dimension C in Inches: 1.38

Application

Bridgeport's Mighty-Bite Push-EMT Push on Grounding bushing is used to terminate service 3/4" EMT conduit. The integrated zinc die cast lug with dual ports is suitable for use with #14 - #4 wire and is provided for bonding EMT. Captive nylon 105 degree C insulator prevents damage to wire insulation. Easy installation, simply push onto conduit.
