

PRODUCT SHEET

Strut end caps

Superstrut

Superstrut® strut end caps

Available in a variety of colors to help differentiate strut by application.

A Series

Thomas & Betts now offers assorted colors in its line of Superstrut® strut end caps. Distinct colors can help to easily identify the specific application, project or job for various strut support structures.

Strut end caps come in two sizes and are designed to fit A Series (A1200/A1400) and B Series (B1200/B1400).

Specifications

- Quick installation
- Adds a clean, polished look to racking and trapeze systems
- Material
 - PVC
- Application
 - Covering strut end sections

B Series

Superstrut® strut end caps
