Red Dot Weatherproof metallic boxes
Round boxes, extensions and covers

Applications:
- Junction for branch conduits
- Spacious, accessible wiring chamber provides a convenient location to maintain or change a system, pull conductors and make splices

Features/benefits:
- Copper-free* aluminum provides increased corrosion resistance
- Precision-cast and machined surfaces permit safer wire pulling
- Clean cover edges provide good gasket sealing
- Precision NPT threads enable trouble-free field installation for rigid conduit or EMT fitting
- Deep-slotted zinc plated steel cover screws for faster installation
- Clear UL, CSA and cubic content markings speed approval by inspectors

Standard materials:
- Boxes: Die-cast aluminum alloy
- Cover: Stamped aluminum
- Gaskets: Composition

Standard finish:
- Powder-coated finish

Compliances:
- UL listed and CSA certified

* Less than 0.004% copper content.
