

Siemens Low Voltage Residential Load Centers AC Disconnects - Siemens Pull Out ACD Non Fused Plastic are Residential Enclosures AC Disconnects. Type: AC DISCONNECT Application: DISCONNECTING DEDICATED LOADS Standard: UL Voltage Rating: 240 V Amperage Rating: 60A Interrupt Rating: 10K Enclosure: NEMA 3R Mounting: SURFACE MOUNTING Size: 5.800X10.200X15.500

General technical data

fastening method	SURFACE MOUNTING
------------------	------------------

Model

product brand name	SIEMENS
--------------------	---------

General product approval

standard	UL
----------	----
