	UPC
	194006067232
Product Length/Depth	Product Height
0.71 in	3.04 in
Product Width	Product Weight
0.71 in	0.882 lb
Certifications	
Not Applicable	

Product specifications

Overall length

2.88"

Number of holes

One-hole

Color

Metallic gray and orange

Connection

Compression

Stranded or Compressed Conductor Size

#2 AWG

Material type

Aluminum and copper

Sleeve material

Aluminum

Solid or compact conductor size

#1 AWG

Type

IEEE Coppertop connector

Current Rating

200A

Suitable For Al/St-Cables

Aluminum and copper cables

Pad material

Copper

Application

200A Loadbreak Elbows
