| Article Number      | 110-70091                                                          |
| Type                | T8SD                                                               |
| Color               | Various (MIX)                                                      |
| Quantity Per        | pack                                                               |
| Product Description | Tool to move tension adjustment screw to a locked position.        |
| Short Description   | T8 Star Driver, removal/insertion of tension lock out screw, 1/pkg |
| Global Part Name    | T8SD-ST-MIX                                                        |

|                              |                            |
|------------------------------|----------------------------|
| Variant                      | Accessories                |
| Tension Setting Tools        | Adjustable                 |
| Material                     | Steel (ST)                 |
| Material Shortcut            | ST                         |
| UV Resistant (Yes/No)        | No                         |
| Use Conditions               | For Indoor and Outdoor Use |
| Reach Compliant (Article 33) | No                         |
| ROHS Compliant               | Yes                        |
| Package Quantity (Imperial)  | 1                          |
| Package Quantity (Metric)    | 1                          |
| Customs Number               | 8204110060                 |
