

Specification Sheet

Part Number: 904-00295

- Hand lever is ergonomically designed to reduce user fatigue.
- Measuring guide incorporates both imperial and metric values which eliminates the need for secondary measurement devices.
- Long lasting, hardened blade produces burr-free edges and improves productivity by eliminating the need for filing the edges after cutting.
- Includes replacement blade and safety guide to ensure longevity, safety and proper use of the tool (replacements for both can also be purchased seperately).

Wiring Duct Cutting Tool, 1/pkg

Article Number	904-00295
Type	Wiring Duct Cutting Tool
Color	Metal (ML)
Quantity Per	pack
