On-Q
2-Port (1) F-Connector (1) RJ45 Cat 5e Wall Plate, White
Part No. WP3215WHV1

The Legrand 2-Port Wall Plate combines data and TV connections in one convenient decorator opening. This pre-configured strap fits seamlessly into any standard Decorator opening, providing both an F-connector for TV and an RJ45 Cat 5e port for data networking. Ideal for streaming TV or movies and faster downloads, the Cat 5e port ensures reliable and high-speed connections. The vertical design allows for easy punch-down termination, making installation quick and efficient. This wall plate meets or exceeds TIA/EIA-568-B.2-1 specifications, guaranteeing compliance with industry standards.

Features & Benefits

- Fits in any decorator opening
- Vertical design allows for easy punch-down termination
- Cat 5e for data networking, streaming TV or movies, and faster downloads
- Meets or exceeds TIA/EIA-568-B.2-1 specifications

Specifications
