

On-Q
Snap and GoCat 6 Keystone Connector, White
Part No. WP3560WH

Save time and money on the jobsite with the new Snap and Go Cat 6 Keystone Connector. This innovative self-terminating connector eliminates the need for a punchdown tool, making installation quick and easy. It meets the TIA T568B.2-10 standard up to 500 MHz, ensuring high-performance network connections. The connector allows you to wire without a flat surface or palm tool, improving cable performance by maintaining tight wire twists. Terminate cables 10-20% faster than with standard RJ45 punchdown tools.

Features & Benefits

Meets TIA T568B.2-10 standard up to 500 MHz

Wire without a flat surface or palm tool

Improves cable performance by maintaining tight wire twists

No punchdown tool required to terminate cable

Terminate 10-20% faster than with standard RJ45 punchdown tools

Specifications

General Info

Product Line	On-Q	Color	White
UPC Number	804428031147	Country Of Origin	Taiwan, Province Of China
Application Sector	Residential	Standard	UL (UL/ANSI TIA/EIA-568-b.2), RoHS

Dimensions

Product Width US	0.866 in	Product Height US	0.657 in
Product Length US	1.358 in		

Technical Information

Environmental Conditions	0 to 93% (relative humidity, non-condensing)
