

**On-Q**  
**1-Gang Low Voltage Face Mount Bracket for New Construction**  
Part No. AC100911

Designed for use in double gang openings, the 1-Gang Low Voltage Face Mount Bracket is perfect for low voltage installations such as keystone wall plates and audio keypads. Ideal for new construction projects, this bracket installs quickly and easily, ensuring a secure and professional setup. Its robust design provides reliable support for your low voltage devices, making it an essential component for any new build.

## Features & Benefits

Rigid plastic design retains shape for ease of alignment during installation

Spacious opening accommodates larger low voltage devices and makes wiring a breeze

Features top opening for convenient cable management

## Specifications

### General Info

Product Line	On-Q	UPC Number	804428032236
Country Of Origin	United States	Application Sector	Residential
Standard	UL, RoHS		

### Dimensions

Product Width US	4.0 in	Product Depth US	1.5 in
Product Height US	3.78 in		

### Listing Agencies / 3rd Party Agencies

cULus Listed	Yes
