

Pass and Seymour
TradeMaster® 3-Gang Nylon Wall Plate, 3 Decorator Openings, Ivory
Part No. TP263I

The TradeMaster® thermoplastic 3-gang decorator wall plate provides maximum durability in plastic wall plates. Self-extinguishing nylon construction makes these wall plates virtually unbreakable. They are 3/16 of an inch higher and wider than typical plastic wall plates - not enough to be apparent to the eye, but the extra size cuts cost by reducing dry wall rework.

Features & Benefits

Molded of rugged, practically indestructible self-extinguishing nylon. ('TP' series only.)

Available in 'TP' series, extra 3/16 inch width and height than Standard size plates: and 'TPJ' series, extra 3/16 inch width and height than Junior-Jumbo size plates.

Available in Ivory, White, Brown, Gray, Black, Blue, Orange, Red, and Light Almond.

Preferred for hospital, industrial, institutional, and other high-abuse applications.

Nominal thickness, .070 inch.
