

Siemens Low Voltage Residential Circuit Breakers Miniature Thermal Mag Circuit Breakers - Special App are Circuit Protection Load Center Mains, Feeders, and Miniature Circuit Breakers. Type: QP Special Features: Non-Automatic Switch Application: Electrical Distribution Standard: UL 489 Voltage Rating: 120V Amperage Rating: 100A Trip Range: Thermal Magnetic Number Of Poles: 1P

| product function note          |                         |
|--------------------------------|-------------------------|
| number of poles                | 1                       |
| suitability for operation      | Electrical Distribution |
| Electricity                    |                         |
| continuous current rated value | 100 A                   |
| Model                          |                         |
| product brand name             | SIEMENS                 |
| special product feature        | Non-Automatic Switch    |
| type of electrical connection  | PLUG-IN                 |
| Mechanical Design              |                         |
| depth [in]                     | 3 in                    |
| design of the product          | QP                      |
| height [in]                    | 2 in                    |
| width [in]                     | 3 in                    |
| General product approval       |                         |
| standard                       | UL 489                  |
